Moving into St Michaels Hill

We are looking forward to welcoming you to St Michaels Hill. Please read on for everything you need to know about arrivals and share this information with anyone who will be bringing you.

Arrivals day
The official arrivals day is Saturday September 16 between 10.00-16.00. Please check in at St Michaels Hill. Your Welcome Week will begin on that day. You will need to book an arrival time via your online induction, sent soon after accepting your offer.

Students and staff will help you settle in. Arrivals weekend is a very busy time for everyone so unless it is an absolute emergency please save any queries about your accommodation for welcome meetings. Many of our residences have very little or no parking so please do your utmost to stick to your arrivals slot.

Early or late arrivals
The earliest moving in date is Friday September 15. You must book an early arrival via your online induction. Please note that some residential services or facilities including catering will not be available prior to your official arrivals day. Late arrivals can also be booked via the online induction.

Traffic information
Like many major cities Bristol is subject to roadworks throughout the summer and this year is likely to be especially difficult because of alterations to the City Centre and the Bristol half Marathon on Sunday 17th. You are advised to check the BBC local road information prior to travelling.

What to bring
Full details of what you should bring are at: bristol.ac.uk/accommodation/undergraduate/arrivals

It is always best to travel light, there will be lots of opportunities to personalise your room once you get to see it and please bear in mind that hanging and storage space may be limited. We provide kettels, microwaves and toasters. We do not provide bedding, bed linen or towels, or cooking utensils, crockery or cutlery.

For St Michaels Hill, you will need single bedding and this, along with kitchen packs and cleaning packs, can be ordered online before September 7 to be waiting for you when you arrive. Please order at: studentroompacks.co.uk/bristol

What not to bring
Please don’t bring any alcohol with you. Drinking in flats and room is discouraged, especially during the first two weeks of term.

You should not bring your own car unless it is essential, for example because of a disability. Bristol is a highly congested city. Sustainable travel benefits your environment, your health and well-being as well as your finances. Information about your transport options can be found on our travel webpages. Further details about residences parking permits will be contained in your accommodation offer.

Your arrivals day.
This is a stop and drop residence - there is no car parking available at the residence or in the neighbouring streets. You and your luggage can be dropped outside the residence and then the driver will need to park nearby. You will receive an email with further arrivals information from your residence support team in due course.
