Local Rules

For University-allocated accommodation

Please read this information carefully. This information applies to all students living in University-allocated undergraduate, postgraduate, pre-sessional and couple and family accommodation.

When you accepted your offer of accommodation you agreed to do two things:

1. **To comply with the University of Bristol Residence Conditions.**
   If you breach the conditions of your tenancy, you may be served notice to leave your residence within 28 days. If you do not leave your residence within the given time frame the University may seek a possession order through the County Court.

2. **To comply with the Local Rules outlined in this document.**
   These rules have been put in place to ensure your safety, to promote a happy community within your residence and to help us live in harmony with our neighbours. The Local Rules are drawn up by The Academic Registrar and the Director of Student Life and Wellbeing in accordance with s.3.1 of the Student Disciplinary Regulations.

   If you break any of the Local Rules you may be subject to disciplinary procedures administered by the Head of Student Residential Life or your Head of Residential Life or Deputy Head of Residential Life (s.3.2 (b) Student Disciplinary Regulations). The procedures we use to apply disciplinary sanctions for breaches of the Local Rules is explained in the Residence Disciplinary Procedure.

All University of Bristol owned residences are managed in compliance with Universities UK Code of Practice ([http://www.thesac.org.uk/](http://www.thesac.org.uk/)).

All partnership residences are managed in accordance with the ANUK/Unipol Code of Standards for Larger Residential Developments ([https://www.nationalcode.org/Handlers/Download.ashx?IDMF=6fa4e41d-0205-485d-9ef3-6c7cbaaf561d](https://www.nationalcode.org/Handlers/Download.ashx?IDMF=6fa4e41d-0205-485d-9ef3-6c7cbaaf561d)).

The University is concerned about the detrimental effects of excessive alcohol consumption on the overall welfare of students. In particular, we seek to discourage the inappropriate use of alcohol, particularly during the day, and the excessive consumption of alcohol during social events. Combining drugs and alcohol can seriously threaten your health and well-being.

Excessive drinking which results in damage to University property, the need for additional cleaning or offensive or abusive behaviour will incur a penalty under the disciplinary procedures as well as charges for any costs incurred by the University.

Cars
You should not bring a car to Bristol unless you have a residence parking permit. Bristol is a highly congested city and excessive car usage causes damage to the environment. Local transport is good and you have access to a bus pass. Also there are good alternatives available such as car clubs or cycling therefore it should not be necessary to bring a car. Students must not drive or park in such a manner as to cause a nuisance or disturbance to other residents or to our neighbours, for example by restricting access.

We do not condone the possession, use or supply of illicit drugs on any of its premises. The University makes available health information regarding drugs. If you have a problem or are concerned about drugs, you should seek advice from the Student Health Service or your GP.

Students are expressly forbidden to possess or use illegal drugs and this includes substances banned under The Psychoactive Substances Act. In addition to disciplinary procedures all illegal substances will be confiscated and destroyed. Students are also forbidden to possess or use other substances which may be misused in order to create an altered state of mind and this includes nitrous oxide. In addition to disciplinary procedures all substances falling into this category may be taken into storage. Please note that the University’s Access Policy allows University or partnership staff to enter rooms without warning or consent where they suspect an illegal act is taking place.

Any postal deliveries of substances falling into the categories listed above will be intercepted and taken into storage or, in the case of illegal drugs, destroyed.

Any student (or guest) who uses drugs (incl NO2) or misuses alcohol, including anyone found to be acting in an inappropriate manner under the influence of alcohol, drugs and/or NO2, will be sanctioned in accordance with the Disciplinary Procedures, in addition to, in the case of classified drugs use, referral to the Police.

The risk assessments for residential accommodation, in particular those which relate to fire, cover all electrical equipment which we anticipate a residential student will use. The University reserves the right to inspect residents’ electrical equipment and if in their view such equipment poses a risk then staff will take the equipment into safe keeping or request that you remove the equipment from the premises.

Fire safety
Fire Safety is our priority and the University will treat any action that endangers residents with the utmost severity. All cases of misconduct that endangers safety will result in action under the Disciplinary Procedures, including:

• Not interfere with or misuse equipment provided for safety purposes.
• Before arrival at the University or during the course of the tenancy, make known to the Accommodation Office or their Residential Student Support Centre any circumstances or conditions that may affect your health and safety (such as illness, disabilities, allergies or similar conditions). Penalties for Breaking the Local Rules

The Residential Life Service is authorised to impose a penalty (s.3.2 (b) Student Disciplinary Regulations).

The Residences Disciplinary Procedure explains how any allegations of misconduct will be investigated. Penalties will fall into the following categories (s.3.3 Student Disciplinary Regulations):

- A written reprimand;
- A caution, which means that no penalty is imposed, but if the student is found guilty of misconduct on a subsequent occasion in the following twelve months (or some other specified period), he or she will then be dealt with for both offences:
- A fine not exceeding £300;
- The requirement to pay a reasonable sum by way of compensation for identified and quantified loss;
- The requirement to give and comply with a written undertaking as to future behaviour;
- The requirement to perform unpaid services for the University community to a maximum of 20 hours;
- Exclusion, either permanently or for a specified period, from the use of a specified University service or facility (including specified residential facilities) to which the misconduct relates;
- A requirement to attend a specified course or programme and to pay the reasonable cost as determined at the relevant time by the University;
- In the case of serious misconduct referral to the Disciplinary Committee, which in addition to the penalties listed above may exclude, suspend or expel the student;
- In the case of a breach or misconduct which is also a criminal offence, referral to the police.

Where the breach or misconduct is also a breach of the University of Bristol Residence Conditions, the student(s) may be referred to the Director of Student Life and Wellbeing who may take steps to evict the student(s).

Financial penalties will be invoiced and collected and, if necessary, that collection will be enforced in the same way as any other financial obligations of students to the University.

If a student is unable to afford to pay a fine they should contact Residential Life. They should not use the appeals process.

Appeals

A student on whom a penalty is imposed may appeal against the finding of guilt or the imposition of the penalty. Appeals must be submitted in writing to the University Secretary within seven working days of notification of the penalty. Upon receipt of the appeal, the Secretary will arrange for it to be considered by a University Officer or a member of the academic staff who is also a member of Senate or a senior administrative officer not previously associated with the case. The person considering the appeal may reject the appeal and confirm the original penalty, uphold the appeal, or refer the case to a Council Committee established under the procedures set out in the Regulations.
