

Undergraduate accommodation fees 2018/19

The accommodation fee you pay depends on the type of room you have. We have a very wide variety of accommodation, and so the fees are varied too. Fees are calculated using several factors including room type, whether you have a basin, or en suite, facilities at your residence such as common rooms and bars, gardens and sports facilities, any enhancement to your room, and catering. Bands of rooms allow for differences in size, furnishings and time since they were last refurbished.

Band	Example of features of room
