Generic Weightings for Calculating the Final Programme Mark and Degree Classification in Modular Undergraduate Programmes

Programme	Weighting of years
Aegrotat degree (unclassified)	N/A
Ordinary degree (unclassified)	N/A
Bachelors honours degree by intercalation	0:0:100
Bachelors three year honours degree <ul style="list-style-type: none"> • for subjects where there is an emphasis on the incremental skills, knowledge and understanding that will be accumulated during the programme, the weighting rule gives a significantly higher weighting to the final year. • for subjects in which a more balanced weighting is deemed appropriate with some recognition of progression. 	0:25:75 or 0:40:60
Bachelors four year honours degree that includes and requires study abroad or in industry (i.e. away from the University) for one academic year <ul style="list-style-type: none"> • for subjects where there is an emphasis on the incremental skills, knowledge and understanding that will be accumulated during the programme, the weighting rule gives a significantly higher weighting to the final year. • for subjects in which a more balanced weighting is deemed appropriate with some recognition of progression. 	0:15:10:75 or 0:30:10:60
Integrated four year masters degree (spent entirely at Bristol) <ul style="list-style-type: none"> • for subjects where there is an emphasis on the incremental skills, knowledge and understanding that will be accumulated during the programme, the weighting rule gives a significantly higher weighting to the final years of study • for subjects in which a more balanced weighting is deemed appropriate with some recognition of progression. 	0:10:40:50 or 0:20:30:50
Integrated four year masters degree that includes and requires study abroad or in industry (i.e. away from the University) for one academic year	0:15:10:75
Integrated five year masters degree that includes and requires study abroad or in industry (i.e. away from the University) for one academic year	0:10:10:30:50
Professional five year undergraduate programmes	N/A
