Life of a 16+ Teenager
ABOUT THIS QUESTIONNAIRE

➢ Thank you for filling in this questionnaire.

➢ We realise it is quite long but a lot of interesting things are happening to you!

➢ ALL your answers are confidential. They are kept under code numbers, not your name, so no-one can find out what you have said.

➢ We realise how sensitive and personal some of the questions are, but it is important for scientific research to find out what is happening to teenagers and how they really think and feel.

➢ You might want to talk to someone about some of the subjects in this questionnaire, so we have included details of confidential Helplines on a separate sheet.
