First Year optional unit choice form - for students taking
BSc or MSci Geology, MSci Geology with Study Abroad,
BSc or MSci Environmental Geoscience or MSci Environmental Geoscience with Study Abroad

Notes:

- Before completing this form please read the explanation about options in section 5 of the information booklet.
- Only those students who have Maths, Physics and Chemistry at A-level (or equivalent) should consider making up their credit point total with units delivered by other Schools.
- Please note that the choice of suitable units is further constrained by your mandatory unit timetable and the number of places available, which may be limited.

If you are considering taking a unit offered by another School AND your A-level subjects allow you to do so please complete this form and send to Ann Morgan-Davies, School of Earth Sciences, University of Bristol, Wills Memorial Building, Bristol, BS8 1RJ no later than Monday 4th September 2017.
