The Richmond Building, Clifton
The University has invested some £30m in a major refurbishment and redesign of the Richmond Building, which houses the Students’ Union and other student services. The building has been transformed to make it more sustainable and fit for the future, providing excellent facilities for students, staff and visitors.

Work has continued on the final phase of works on the Film and TV suite which are due to be completed at the end of February. The University will then undertake furniture fit out ready for occupation of the 5th & 6th floors, with full use from September 2016.

Film & TV Works update from John Perkins Construction:
Works to the 5th & 6th floor are progressing well, and the project works are on course for completion by Easter with some minor external and internal snagging works to follow.

Works being undertaken in February
- Completion of external works associated with the footpath
- Welfare facilities in the basement now been moved to enable commencement of works to include new entrance gates and tarmac repairs
- Access hoist will be removed towards the end of the month
- Scaffolding will come down in phases
- Waste skips will be changed and lorry deliveries continue until the end of the month
