The Langford Wellbeing Map

Langford House was once part of a Victorian gentleman’s country estate and today there are 255-hectares to explore.

Did you know?
Langford House has a ‘ha-ha’! This is a sunken barrier that kept livestock grazing in the parkland out of the gardens, while giving the illusion of a continuous rolling lawn.

Nearby:
The Mendips have been designated an Area of Outstanding Natural Beauty (AONB) and are home to species such as the peregrine falcon, greater horseshoe bat and the great crested newt.
