

Finance Services Case Study 2 – Audrey Michael

Audrey joined the Finance Office as a Finance Assistant (old style Grade D). After 14 months of being in that role she was then appointed to the role of Assistant Faculty Accountant (old style Admin 2). Audrey spent just over 7 years within that role and was then successful in being recruited to a Finance based role within an academic department at Grade J. Since the SPR restructure, she has been appointed to a Grade K Deputy Faculty Financial Controller role within the Finance Services structure.
