

Walking directions from the bus and train stations

Bristol Temple Meads Train Station to the University

There are two train stations in Bristol, Bristol Temple Meads and Bristol Parkway. The University is much closer to Temple Meads station. It takes **30 to 40 minutes** to walk from Temple Meads to the University and the walk involves an uphill climb.

Leave the station taking the right-hand pavement past bus stops to reach the main road, Temple Gate. Cross Temple Gate at the traffic lights, and turn right. Bear left into Redcliffe Way, past a set of traffic lights, and continue to the large church, St Mary Redcliffe, on your left.

Cross the road using the zebra crossing ahead, and turn right across a second zebra crossing. Turn left along Redcliffe Way, over a small bridge, and into a pedestrian area that leads into Queen Square.

Cross the square diagonally and continue ahead passing King Street and Marsh Street on your right until you reach Broad Quay. You will now see a pedestrian area with the harbour on your left and fountains ahead of you. Keep the fountains on your right and continue ahead, crossing Anchor Road at the traffic lights. Turn left and cross another set of traffic lights. You are now at the bottom of Park Street.

Continue uphill along Park Street with College Green on your left. Continue uphill steeply towards the Wills Memorial Building, the large tower at the top of Park Street.

Cross the road at the top of the hill, heading towards the Wills Memorial Building. Turn left and continue past the Wills Building and the Bristol Museum and Art Gallery. Turn right into University Road and continue uphill. At the top of the road you will see a stone sign ahead, inscribed with the University of Bristol logo. Senate House is the large building opposite, on the corner of Tyndall Avenue.

Marlborough Street Bus Station to the University

Marlborough Street Bus Station is situated in the centre of Bristol, close to the University campus. It takes around **15 minutes** to walk from the bus station to the University. Please note that the route is quite steep in places.

Leave the bus station via the Whitson Street exit. Turn right up Lower Maudlin Street and left at the top into Upper Maudlin Street. Continue along Upper Maudlin Street, with the Bristol Royal Infirmary and the Children's Hospital on your right. Continue past several sets of traffic lights. Just after the entrance to a multi-storey car park on your left, turn right into Woodland Road. At the crossroads at the top of the hill, turn right into Tyndall Avenue.
