

COVID guidelines. Playing tennis at Coombe Dingle Sports Complex. From Monday 19th July 2021.

Introduction

LTA guidelines have been replaced by considerations for venues which we have considered in our approach. We will continue to operate in line with our own risk assessments and within our own unique operating context. Students and staff are strongly encouraged to complete 2 lateral flow tests each week. **Do not come to Coombe Dingle if you are displaying COVID symptoms.**

General guidance

- You must book in advance; this applies to casual court hire and coaching / camps. You can book online via www.bristol.ac.uk/sport/tennis/ or at reception.
- Face coverings are required when moving through the tennis centre but not when playing.
- Please use our hand sanitiser or bring your own.
- Toilets and changing rooms are open and will be cleaned twice a day.
- There is no 1-way system in place.
- Spectators are permitted on site.
- Catering options available at reception and in the pavilion.

Specific programmes / activity

- Our autumn term-time programme (juniors) will start w/c 6th September. We will be in touch with everyone who is currently booked on to a term-time course with a personalised programme offer for September in early August. We will publish more information on drop off / pick up procedures before the start of term on 4th September.
- Parents of children booked on to camps in July / August will receive more information about COVID guidelines before each 2-day camp starts.
- We don't have any competitions scheduled in August and will build in relevant procedures in advance of any competition and information will be shared with competitors / parents and opponents where appropriate.
- Our adult pay as you go sessions have stopped for the summer and will return in the autumn, more details will be published online and sent to regular players throughout August including relevant COVID considerations.
- UBTC sessions – pre-season will lead the UBTC 2021/22 season in August and relevant COVID considerations will be shared with those involved.

Where specific guidelines are required, they will be sent to affected players / parents and any revisions that we make will be published online, at <http://www.bristol.ac.uk/sport/tennis/>
