

## Governance of Programmes and Projects

Remit of UMT: To ensure and monitor delivery of the University Strategy and budget and to consider outcomes of the Integrated Planning Process.

Remit of Portfolio Boards: To deliver University projects and programmes. This includes authority to approve Portfolio expenditure of the delegated budget via business cases and exception reports as well as initiation of new programmes and projects.

Remit of UPG: To deliver the University's integrated planning process and associated budgeting arrangements.

Remit of PMG: To advise the Ways of Working Portfolio Board on resource availability, prioritisation of programmes and projects, dependency management, and change capacity.
