

Price list for companion animal post-mortem gross examination and histology*

The post-mortem examination will be provided upon agreement between the post-mortem service and the submitting veterinary surgeon.

Prices for the gross post-mortem examination are indicated below.

Following the gross-examination, if histology is requested, the extent and cost (as indicated below) for this will be discussed and agreed before proceeding.

Also note that when diagnostic tests are recommended and agreed (e.g. bacteriology, PCR tests, toxicology) these will attract additional fees.

Please see the terms and conditions for submission and the need to submit a completed submission form.

*Note: All prices quoted **exclude** VAT*

Post-mortem examination - (gross examination only: see below for addition histology fees, if required).			
The PM fee includes routine disposal when return of ashes is not requested (see below for additional fees that will apply for individual cremation).
