Wednesday 30th September: Detroit soup style event, from 6.30pm

A simple, relaxed meal at ‘The Station Kitchen’, with a chance to vote on how the profits are spent! [http://detroitsoup.com/](http://detroitsoup.com/)

Four people will each get 4 minutes to pitch for the profits from the evening. Your imagination is the only limitation for how the money could be spent! It could be a small research project, network of people, piece of equipment- or something much more creative, in the field of animal welfare or something completely unrelated! **We just need you to submit an idea!** For more information, or to propose an idea, please contact Siobhan on ecawbm-conf@bris.ac.uk.

Thursday 1st October: Drinks reception, 7.30pm

A drinks reception will be held at ‘Bordeaux Quay’, on the Waterfront in Bristol, in a building that had a former life receiving wine as it was unloaded from the docks. As a long-standing member of the Sustainable Restaurant Association Bordeaux Quay respects many pillars of sustainability, including using mostly free-range or organic meat. It is known for good food and good wine in a beautiful setting.
