Admissions criteria

Academic entry requirements

A UK honours undergraduate degree (or international equivalent) and a minimum of one year's appropriate professional experience, such as a PGCE or teaching experience. Recognition of Prior Learning is considered.

For information on international equivalent qualifications, please see our [International Office](#) website.

English language criteria for non-native English speakers

For applicants whose first language is not English, it is necessary to achieve a minimum score in an approved English language test specified in Profile E of the [University's English Language Requirements Policy](#).

You can find information about the University of Bristol's Pre-Sessional English courses at the [Centre for English Language and Foundation Studies website](#).

Reference criteria

Applicants should arrange for referees to provide electronic references, which can be submitted through the online application system. Non-electronic references should be on headed paper, with clear contact details and signed by the person who wrote it. Referees should be familiar with the applicant's academic work.

Personal statement criteria

Please ensure that you clearly and concisely set out your reasons for applying for the pathway. This element of the application is extremely important for us in our decision-making process. This statement should focus carefully on the relationship between existing qualifications, your professional experience, professional development and the role that the pathway you are applying for will play in this.

Selection process and offers

Selection process

All applications are considered in accordance with the [University's policy on equality and diversity](#). The University of Bristol upholds the principles of equality and diversity, respect and dignity. Candidates are not discriminated against on the grounds of race, ethnicity, nationality, gender, sexuality, religion or belief, disability, health or age.

All applicants are subject to the entry requirements above. We also pay special attention to your personal statement.

Decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into their application.

An unconditional offer will be made to successful applicants who have already met the conditions and provided evidence that conditions have been met. Where academic requirements have not yet been met, successful applicants will receive a conditional offer to meet those requirements.

If there is a deadline by which applicants must accept their offer of admission, this will be stated in the offer letter.

Deferrals

Applicants are able to defer their place for one year, after which applicants will need to reapply.

Deposits

International self-funded students are required to pay a deposit of £1000. You can pay this deposit online at <http://bris.ac.uk/online-payments/deposits> using a credit or debit card. Alternatively you can pay through our PaytoStudy account at www.bristol.ac.uk/paytostudy. PaytoStudy is an international payment solution which offers competitive exchange rates. Where PaytoStudy has a local bank account, all wire fee charges will be eliminated and you will be able to pay in your local currency to a local bank account.

The deposit is non-transferable and non-refundable except under the circumstances outlined in the International Deposits Refund Policy which is available at <http://www.bris.ac.uk/academicregistry/office/policies/idrp.html>. You may pay your deposit in advance of meeting the conditions of your offer. If you subsequently fail to meet the conditions attached to your offer and are therefore rejected from your course on academic grounds then a refund will be made to you. To make the payment you will need your student number which you will find in your offer letter.

ATAS

An ATAS certificate is not required.
