Guidance on uploading documents can be found in the [How to Apply FAQs](#). Any paper documents received by post, or electronic documents received by email, will not be considered except in exceptional circumstances.

Applicants should make every effort to choose the correct programme in the application form by reading the prospectus entry and admissions statements fully. Applicants should [contact the relevant Admissions Team](#) if clarification is required.

Documents required

The required documents for this programme are listed below. Applications may not be considered until all required documents have been uploaded to the application form.

Applicants who have already submitted an application can upload additional documents into the 'Post-submission uploads' section of the application form. Information about how to upload documents to an application form can be found in our [How to Apply FAQs](#).

Required documents for this programme are:

- **Two academic references (minimum):** References should be submitted electronically by the referee, using the online reference form. Alternatively, scanned copies of the original reference document(s) can be uploaded by the applicant.
If you graduated more than two years ago, or if professional experience is relevant to the application, professional references will be accepted in lieu of one academic reference. At least one referee should be familiar with the applicant's academic work. References must be written, signed and dated on official letter headed paper from the referee's organisation. They must include the referee's full contact details, i.e. postal address, telephone number and organisation email address. A [reference template](#) is available to show the required format.
References supplied with a personal contact email address will not be accepted unless under exceptional circumstances, which must be explained within the reference. All references must be dated within the last two years.
- **Degree certificate(s)** from first and subsequent degrees. We require colour scans of original documents and certified translations of documents issued in any language other than English.
- **Academic transcripts** from first and subsequent degrees. We require colour scans of original documents and certified translations of documents issued in any language other than English. Transcripts must list all subjects taken and grades achieved to date, with the grade scale clearly displayed in the transcript. Applicants must clearly state their current average grade in the online application form.
- **Personal statement:** Personal statements should highlight the motivation for applying for the course, and any relevant experience and/or skills.

In an unequal society, social workers enable people to address inequality and discrimination, resolve problems and meet personal needs. They work with individuals, families, groups and communities. Successful practitioners demonstrate:

Good interpersonal and communication skills

Well developed emotional sensitivity

Proven resilience and tenacity

The capacity to develop others

Good team working skills

A commitment to service user involvement

A capacity to work within professional boundaries.

In not less than 1,000 and not more than 1,500 words, describe and critically evaluate your education, work and life experiences, showing how these have motivated, prepared and developed you for the challenges of becoming a professional social worker. Use specific examples where possible. Analysis and discussion of the relevance of your work experience should be addressed in your Personal Statement.

- **English language certificates** are required from applicants for whom English is not the native language and whose full undergraduate degree was not taught in an English-speaking country (please see the [English Language Requirements](#) for a list of English-speaking countries)
- **Curriculum Vitae (CV):** CVs might include details of other relevant work experience and qualifications to support an application. Please do not include any school (pre-university) certificates, unless otherwise specified above.

Correspondence with applicants

Applicants will normally receive communication via email to the email address used to set up the application form account. Applicants should ensure the profile email address is kept up-to-date.

Selection process

Assessment of applications

All applications are considered in accordance with the [University's policy on equality and diversity](#). The University of Bristol upholds the principles of equality and diversity, respect and dignity. Candidates are not discriminated against on the grounds of race, ethnicity, nationality, gender, sexuality, religion or belief, disability, health or age.

Complete applications will be rated with regard to the ability to benefit from social work study. The following criteria will be used: academic preparedness and good written English; relevant learning from work and life experience; understanding of social care, social work and appropriate personal and intellectual qualities; understanding of, and commitment to, the values and ethics of social work.

Interviews

Candidates will be interviewed jointly by a member of university staff, a representative of a social services agency and a service user/carer. The interview day will have four parts. There will be:

1. An information session
2. A writing exercise. This exercise should demonstrate your ability to write clearly and logically in English and to think critically about social issues.

3. A communication skills exercise. This exercise should demonstrate awareness of current social issues, service user awareness, communication and inter-personal qualities.
4. A personal interview which will cover the following:
 - the reasons for your interest in social work
 - your initial understanding of the role and your reflective ability when evaluating any relevant life experiences that may help or hinder your development as a social worker
 - evaluation of an article related to social work
 - your awareness of the effects of race, age, sex, and other forms of discrimination, and how this relates to anti-oppressive practice.

Non-standard applications

We welcome applications from those with non-standard qualifications who can demonstrate knowledge, experience and skills developed in the workplace, or elsewhere, relevant to the programme of study. Please use your personal statement to provide further details.

Non-standard applications will be considered by the Admissions Tutor(s) for the programme on a case by case basis.

Decisions

Notification of decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of admission, this will be stated in the offer letter.

Offers

Offers will typically be made in line with the academic requirements set out above.

Offers made may be conditional or unconditional. An unconditional offer will be made to successful applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, successful applicants will receive a conditional offer outlining the requirements that must be met.

If an applicant is not selected to receive an offer for the course to which they have originally applied, we may offer the opportunity to be considered for an alternative programme in a related subject area. In such cases applicants will receive an email notification providing any alternative course options and asking whether they wish to be considered for these. It may be necessary for applicants to submit additional documentation in order for the application to be fully considered for an alternative programme. Details of the documentation required can be found in the [admissions statement](#) for the relevant programme.

Deferrals

Deferred entry is available for this programme, subject to agreement by the relevant Admissions Team. Please contact the admissions team by emailing sps-pgadmissions@bristol.ac.uk if you would like to request to defer your start date.
