Admissions cycle
This Admissions Statement applies to applications submitted for entry to the programme between 1 October 2018 and 30 September 2019.

Application deadline
Application deadlines can be found on the individual programme page within the University course finder.

Admissions criteria

Academic requirements
Applicants must hold a Bachelor of Dental Surgery or equivalent United Kingdom General Dental Council registerable dental qualification, and have at least one year’s demonstrable postgraduate clinical experience.

For information on international equivalent qualifications, please refer to our International Office website.

English language requirements for non-native English speakers
Applicants whose first language is not English, and whose full undergraduate degree was not taught in an English-speaking country, must hold/achieve a minimum score in an approved English language test as
specified in Profile B of the University’s English Language Requirements Policy.

You do not need to have reached the required level of English language before applying. If necessary, English language will be included as a condition of offer.

There is an option to take one of the University’s Pre-sessional English courses; details are available on the Centre for English Language and Foundation Studies website.

**Additional requirements**

In accordance with the requirements of the University Hospitals Bristol NHS Trust regarding students with access to patients, applicants must provide evidence by **29 September** of the following immunisations before commencing clinical sessions within Trust premises.

All students must take these blood tests in the UK, and must not have subsequently worked abroad, at least one week before commencing EPP work.

Applicants must also undergo Disclosure and Barring Service (DBS) clearance before commencing clinical sessions within Trust premises.

International applicants must provide a satisfactory police check/certificate of good conduct from their home country (with a certified English translation if necessary). This requirement will be included in the conditions of any offer that is made, and must be satisfied before admission to the programme can be confirmed.

Applicants should also have adequate medico-legal indemnity insurance, basic computer skills and access to a PC with internet connection.

**Application process**

**Online application form**

Applicants should complete the online application form, uploading all required documents directly. Guidance on uploading documents can be found in the guidance for online applications. Paper documents received by
post, or electronic documents received by email, are only considered in exceptional circumstances.

Before applying, make sure you choose the right programme by reading the prospectus entry and Admissions Statement fully. If you need clarification, please contact the relevant admissions team.

Applications may not be considered until all required documents have been uploaded. If you have already submitted an application, you can upload additional documents into the ‘Post-submission uploads’ section of the application form.

Documents required
Required documents for this programme are as follows:

- **Two academic references (minimum).** References should be submitted electronically by the referee, using the online reference form. Alternatively, scanned copies of the original reference document(s) can be uploaded by the applicant.

  If you graduated more than two years ago, or if professional experience is relevant to your application, a professional reference will be accepted in lieu of one academic reference. At least one referee should be familiar with your academic work. References must be written, signed and dated on official letter-headed paper from the referee’s organisation, and must include full referee contact details, as shown in the reference template. References supplied with a personal contact email address are only accepted in exceptional circumstances, which must be explained within the reference. All references must be dated within the last two years.

- **Degree certificate(s)** from first and subsequent degrees. We require a certified copy of original documents and certified translations of documents issued in any language other than English.

- **Academic transcripts** from first and subsequent degrees. We require colour scans of original documents and certified translations of documents issued in any language other than English. Transcripts must list all subjects taken and grades achieved to date, with the grade scale clearly displayed in the transcript. Applicants must state their current average grade in the online application form.

- **Personal statement.** Personal statements should highlight your motivation for applying, any relevant experience and/or skills and details of how the programme will benefit your development and future career.

- **English language certificates** are required from applicants whose native language is not English and whose full undergraduate degree was not taught in an English-speaking country.

- **Curriculum vitae (CV).** CVs might include details of other relevant work experience and qualifications to support an application. Please do not include any school (pre-university) certificates, unless otherwise specified above.

- **GDC certificate covering the start of the course.**

Correspondence with applicants
We will correspond with you via the email address used to set up your application form account. Please keep this address up-to-date.

Selection process
Assessment of applications
All applicants are considered on an equal basis in line with the University’s Equality and Diversity Policy.

Where an applicant has undertaken a transnational education partnership programme or top-up degree, meeting the minimum academic entry criteria will not automatically mean an applicant will receive an offer.
For these applicants, admissions decisions will consider the academic history of the applicant alongside relevance of degree, and, if required, degree content, and performance in key modules.

Each applicant is considered both holistically on their own merit and in competition with the rest of the applicant cohort during the academic cycle.

**Interviews**

Interviews do not form part of the selection process.

**Decisions**

**Notification of decisions**

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. Decision letters include any deadline by which applicants must accept an offer of admission.

**Offers**

Offers are typically made in line with the academic requirements set out above.

Offers may be conditional or unconditional. Unconditional offers are made to successful applicants who have met the admissions requirements. Successful applicants who have not yet fulfilled the academic or language requirements will receive a conditional offer outlining the outstanding requirements.

Unsuccessful applicants may be considered for an alternative programme in a related subject area. In such cases, applicants will receive an email with details of the alternative options. You may have to submit additional documentation in order to be considered for an alternative programme. Please check the relevant admissions statement for details.

**Deferrals**

Deferrals are only permitted in exceptional circumstances. Please contact the admissions team if you would like to defer your start date.

**Additional information**

**Extenuating circumstances**

If your education has been significantly disrupted through health or personal problems, disability or specific difficulties within your studies, you can submit an extenuating circumstances form as part of your application. The information provided will be treated confidentially, and will help us to assess your academic performance fairly in light of your circumstances.

**ATAS**

An ATAS certificate is not required for this programme.

**Deposits**

A deposit is not required for this programme.

**Visa**

International students coming to the UK to study full-time must apply for a student visa. Tier 4 student visa guidance notes are available on the University website.

**Sponsored students**

Sponsored students must upload a copy of their sponsorship letter in the ‘Post-submission uploads’ section of the online application, and must also complete and upload the sponsorship authorisation form.
