## Selection process

### Assessment of applications

All applicants are considered in line with the University’s Admissions Principles and Procedures Policy and Equality, Diversity and Inclusion policy. Once a complete application has been submitted with all required supporting documents, it is considered by at least two members of staff using the following criteria:

Applicants will be assessed based on the subject and level of their first degree, their motivation to enter the programme (as assessed by their personal statement) and the two letters of reference.

### Interviews

Interviews may form part of the selection process. The purpose of the interview is to assess whether the applicant has the necessary skills and capabilities to pursue the chosen postgraduate programme, and whether the programme is appropriate to the applicant’s interests and aspirations.

If required, interviewees based overseas will normally be interviewed by telephone or Skype.

### Decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of admission or pay a deposit, this will be stated in the offer letter.

### Offers

Offers will typically be made in line with the academic requirements set out above. Offers made may be conditional or unconditional. An unconditional offer will be made to applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, applicants will receive a conditional offer outlining the requirements that must be met.

If an applicant is not selected to receive an offer for the course to which they have originally applied, we may offer the opportunity to be considered for an alternative programme in a related subject area. In such cases applicants will receive an email notification providing any alternative course options and asking whether they wish to be considered for these. It may be necessary for applicants to submit additional documentation in order for the application to be fully considered for an alternative programme. Details of the documentation required can be found in the admissions statement for the relevant programme.

### Deferrals

Deferred entry is available for this programme, subject to agreement by the relevant Admissions Team. Please contact tlhp-admissions@bristol.ac.uk to make a formal request.
