**Application process**

**Online application form**

Applicants should complete the online application form, uploading all required documents directly. Further information is available on our [guidance for online applications page](#).

Applications will not be considered until all required documents have been uploaded. If you have already submitted an application, you can upload additional documents into the ‘Post-submission uploads’ section of the application form. Paper documents received by post, or electronic documents received by email, are only considered in exceptional circumstances.

**Required and optional documents**

<td>References should be submitted electronically by the referee, using the online reference form. Alternatively, scanned copies of the original reference document(s) can be uploaded by the applicant. All references must be written, signed and dated on official letter headed paper from the referee’s organisation. They must include the referee’s full contact details, i.e. postal address, telephone number and organisation email address and must be dated within the last two years. A <a href="#">reference template</a> is available to show the required format. References supplied with a personal contact email address will be accepted in exceptional circumstances, which must be explained within the reference. If you graduated more than five years ago and are experiencing difficulties securing an academic reference, or if professional experience is relevant to the application, a professional reference will be accepted in lieu of your academic reference. Depending on your circumstances, if you feel it will be supportive of your application to submit more than one reference (for instance, one from an academic referee, and one from a professional reference) then you are free do so (upper limit of three), although to be clear, applicants with one referee will not be disadvantaged in the application process.</td>

### Selection process

#### Assessment of applications

All applicants are considered in line with the University’s Admissions Principles and Procedures Policy and Equality, Diversity and Inclusion policy. Once a complete application has been submitted with all required supporting documents, it is considered by at least two members of staff.

#### Interviews

Interviews do not normally form part of the selection process. However, it may be deemed necessary to interview applicants with non-standard qualifications or who have additional skills and experience to be considered as part of the application process.

The purpose of the interview is to assess whether the applicant has the necessary skills and capabilities to pursue the chosen postgraduate programme, and whether the programme is appropriate to the applicant’s interests and aspirations.

If required, interviewees based overseas will normally be interviewed by telephone or Skype.

All interviews are conducted by staff members trained in fair and effective recruitment techniques. All interviews are undertaken in accordance with the University’s policy on equal opportunities.

#### Decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of admission or pay a deposit, this will be stated in the offer letter.

#### Offers
Offers will typically be made in line with the academic requirements set out above. Offers made may be conditional or unconditional. An unconditional offer will be made to applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, applicants will receive a conditional offer outlining the requirements that must be met.

If an applicant is not selected to receive an offer for the course to which they have originally applied, we may offer the opportunity to be considered for an alternative programme in a related subject area. In such cases applicants will receive an email notification providing any alternative course options and asking whether they wish to be considered for these. It may be necessary for applicants to submit additional documentation in order for the application to be fully considered for an alternative programme. Details of the documentation required can be found in the admissions statement for the relevant programme.

**Results deadline**

Applicants who receive a conditional offer will be required to submit all final results to meet their offer conditions by **31st August 2020**. Offer holders who will be unable to provide their final results by this date should email sps-pgadmissions@bristol.ac.uk to notify the admissions team as soon as possible.

**Deferrals**

Deferred entry (for one year only) is available for this programme, subject to agreement by the relevant Admissions Team. Please contact the admissions team by emailing sps-pgadmissions@bristol.ac.uk if you would like to request to defer your start date.
