## Selection process

### Assessment of applications

All applicants are considered in line with the University's [Admissions Principles and Procedures Policy](#) and [Equality, Diversity and Inclusion policy](#). Once a complete application has been submitted with all required supporting documents, it is reviewed by the nominated supervisors and by the school's Director of Graduate Studies (admissions) using the following criteria:

Academic performance, English language ability, references and suitability for the course. As well as checking that the school's academic criteria have been met, the reviewers will ensure that the school is able to offer adequate supervision in the applicant's chosen field of research.

Where we receive a large volume of high-quality applications for a small number of places, we may select applications for offer of admission using interviews.

### Interviews

Interviews form part of the selection process for advertised and fully funded studentships. Interviews may also be held for self-funding applicants (including those with funding from non-University of Bristol sources).

The purpose of the interview is to assess whether the applicant has the necessary skills and capabilities to pursue the chosen postgraduate programme, and whether the programme is appropriate to the applicant's interests and aspirations.

Interviewees based overseas will normally be interviewed by telephone or Skype.

All interviews are conducted by a minimum of two members of staff, at least one of whom is trained in fair and effective recruitment techniques. All interviews are undertaken in accordance with the [University's Equality and Diversity Policy](#).

### **Decisions**

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of admission or pay a deposit, this will be stated in the offer letter.

### **Offers**

Offers will typically be made in line with the academic requirements set out above.

Offers made may be conditional or unconditional. An unconditional offer will be made to applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, applicants will receive a conditional offer outlining the requirements that must be met.

If an applicant is not selected to receive an offer for the course to which they have originally applied, we may offer the opportunity to be considered for an alternative programme in a related subject area. In such cases applicants will receive an email notification providing any alternative course options and asking whether they wish to be considered for these. It may be necessary for applicants to submit additional documentation in order for the application to be fully considered for an alternative programme. Details of the documentation required can be found in the admissions statement for the relevant programme.

### **Deferrals**

Deferred entry is available for this programme, subject to agreement by the relevant Admissions Team. Please contact [fohs-pgadmissions@bristol.ac.uk](mailto:fohs-pgadmissions@bristol.ac.uk) to make a formal request.
