Selection process

Assessment of applications

All applicants are considered in line with the University's [Admissions Principles and Procedures Policy](#) Once a complete application has been submitted with all required supporting documents, it is usually considered by at least two members of staff

Interviews

Interviews form part of the selection process. The purpose of the interview is to assess whether the applicant has the necessary skills and capabilities to pursue the chosen postgraduate programme, and whether the programme is appropriate to the applicant's interests and aspirations.

Selected applicants are invited to attend a formal DTP interview at the University of Bristol, where they will be asked to present a piece of research they have undertaken. Interviews are conducted by a panel of staff, at least one of whom is trained in fair and effective recruitment techniques

Following interview, all studentship offers will be made by mid-March.

Please note that although you may be successful in being nominated by a supervisor for a particular project, you are not guaranteed a studentship until you have been made an offer following the interview.

Interviewees based overseas will normally be interviewed by telephone or Skype.

Decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of admission or pay a deposit, this will be stated in the offer letter.

Offers

Offers will typically be made in line with the academic requirements set out above.

Offers made may be conditional or unconditional. An unconditional offer will be made to applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, applicants will receive a conditional offer outlining the requirements that must be met.

If an applicant is not selected to receive an offer for the course to which they have originally applied, we may offer the opportunity to be considered for an alternative programme in a related subject area. In such cases applicants will receive an email notification providing any alternative course options and asking whether they wish to be considered for these. It may be necessary for applicants to submit additional documentation in order for the application to be fully considered for an alternative programme. Details of the documentation required can be found in the admissions statement for the relevant programme.

Results deadline

Applicants who receive a conditional offer will be required to submit all final results to meet their offer conditions by the date advised in their offer correspondence Offer holders who will be unable to provide their final results by this date should email bristol-nercwgw4plusdtp-admin@bristol.ac.uk to notify the admissions team as soon as possible.

Deferrals

This programme does not normally allow deferrals unless there are exceptional circumstances. Please contact bristol-nercgw4plusdtp-admin@bristol.ac.uk if you would like to discuss the possibility of deferring your start date.

Additional information

Extenuating circumstances

If your education has been significantly disrupted through health or personal problems, disability or specific difficulties within your studies, you can submit an [extenuating circumstances](#) form as part of your application.

The information provided will be treated confidentially and will help us to assess your academic performance fairly considering your circumstances.
