

Postgraduate Admissions Statement for PhD Epidemiology

This Admissions Statement applies to applications submitted for entry to the programme between 1 October 2023 and 30 September 2024.

It should be read in association with the [University Admissions Principles and Procedures](#) for Postgraduate programmes, the relevant [prospectus entry](#) and general [application guidance](#).

Admissions criteria

Academic and English language requirements

The academic and English language requirements for this programme are displayed on the [Postgraduate Prospectus](#)

For information on international equivalent qualifications, please refer to our [International Office website](#).

Non-standard applications

Unfortunately, we are unable to accept non-standard application for this programme. Applicants must meet the entry requirements.

Application process

Online application form

Applicants should complete the online application form, uploading all required documents directly. Further information is available on our [guidance for online applications page](#)

Applications will not be considered until **all** required documents have been uploaded.

Required and optional documents

References: Required

We require one academic reference. References should comply with our standard requirements outlined on [our guidance pages](#).

Degree certificate(s) and academic transcripts: Required

From first and subsequent degrees. Degree certificates and transcripts should comply with our standard requirements outlined on [our guidance pages](#).

Personal statement: Required

Personal statements should highlight the motivation for applying for the course, and any relevant experience and/or skills.

English language certificates/other evidence: Required

Evidence of meeting the English language profile as stated on the [Postgraduate Prospectus](#) and specified by the [University English Language Requirements Policy](#)

Curriculum Vitae (CV) : Required

CVs might include details of other relevant work experience and qualifications to support an application.

Evidence of Numeracy: Required

Evidence of numeracy skills is required. Please upload a certificate **in the 'Other Information' section on the application form** to demonstrate how you meet this requirement (e.g. A-level Mathematics or Statistics- grade

C or higher- or a module with a good mark in previous university degree, normally with a minimum of 60%/2:1 equivalent) (or UK equivalent for students with a non-UK degree).

Selection process

Assessment of applications

All applicants are considered in line with the University's [Admissions Principles and Procedures Policy](#). Once a complete application has been submitted with all required supporting documents, it is considered by at least two members of staff using the following criteria:

- Performance in undergraduate degree
- English language ability (where applicable)
- References
- Personal statement
- Evidence of numeracy
- Quality of written research proposal (to be submitted after shortlisting but before interview)

Interviews

Interviews form part of the selection process.

The purpose of the interview is to assess whether the applicant has the necessary skills and capabilities to pursue the chosen postgraduate programme, and whether the programme is appropriate to the applicant's interests and aspirations.

If required, interviewees based overseas will normally be interviewed by video conference (e.g. MS Teams or Zoom).

Decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of admission or pay a deposit, this will be stated in the offer letter.

Offer

Offers will typically be made in line with the academic requirements set out above.

Offers made may be conditional or unconditional. An unconditional offer will be made to applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, applicants will receive a conditional offer outlining the requirements that must be met.

Deferrals

Deferrals are not permitted for this programme. Applicants are encouraged to re-submit their application for consideration the following year.

Results deadline

Applicants who receive a conditional offer will be required to submit all final results to meet their offer conditions by 29th July. Offer holders who will be unable to provide their final results by this date should email choosebristol-pg@bristol.ac.uk to notify the admissions team as soon as possible.

Additional information

Extenuating circumstances

If your education has been significantly disrupted through health or personal problems, disability or specific difficulties within your studies, you can submit an [extenuating circumstances](#) form as part of your application.

The information provided will be treated confidentially and will help us to assess your academic performance fairly considering your circumstances.

Academic Technology Approval Scheme (ATAS)

An ATAS certificate is not required for this programme.

Visa

International students coming to the UK to study full-time may need to apply for a student visa. Guidance is available on the [University website](#).

Fees and Deposits

Fees

Annual tuition fees are available on the relevant [prospectus entry](#) for this programme.

Deposits

International self-funded students accepting a place on a taught postgraduate programme are required to pay a deposit of £2000. Further information is available on [how to pay programme deposits](#). Further information will also be provided in the offer letter to successful applicants. The deposit is non-transferable and non-refundable except under the circumstances outlined in the [International Deposits Refund Policy](#).

Sponsored Students

Sponsored students are not required to pay the deposit but will need to upload a copy of their sponsorship letter to the online application.
