† We want to attract the very best students and know that our contextual offer entrants thrive here, achieving above average academically. Our contextual offer is a grade reduction of up to two grades below the standard entry requirements, made to applicants from under-represented groups. Contextual offers are shown in brackets next to each entry requirement in the course listings. Find out more about eligibility at bristol.ac.uk/contextual-offers

This is an indicative guide of our 2020/21 course structures.
