Selection process

Assessment of applications

All applicants are considered in line with the University's <u>Admissions Principles and Procedures Policy</u> and <u>Equality</u>, <u>Diversity and Inclusion policy</u>. Once a complete application has been submitted with all required supporting documents, it is considered by at least two members of staff using the following criteria:

- performance in undergraduate degree
- English language ability (where applicable)
- references
- personal statement

Interviews

Interviews do not normally form part of the selection process. However, we may interview applicants with non-standard qualifications or those with additional skills and experience to be considered as part of their application. Interviews are used to assess whether the applicant has the necessary skills and capabilities to pursue their chosen programme, and whether the programme is appropriate to their interests and aspirations. Interviewees based overseas are normally interviewed by telephone or Skype. All interviews are conducted by two members of staff, at least one of whom is trained in fair and effective recruitment techniques. All interviews are undertaken in accordance with the University's Equality and Diversity Policy.

Decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of admission or pay a deposit, this will be stated in the offer letter.

Offers

Offers will typically be made in line with the academic requirements set out above.

Offers made may be conditional or unconditional. An unconditional offer will be made to applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, applicants will receive a conditional offer outlining the requirements that must be met.

If an applicant is not selected to receive an offer for the course to which they have originally applied, we may offer the opportunity to be considered for an alternative programme in a related subject area. In such cases applicants will receive an email notification providing any alternative course options and asking whether they wish to be considered for these. It may be necessary for applicants to submit additional documentation in order for the application to be fully considered for an alternative programme. Details of the documentation required can be found in the admissions statement for the relevant programme.

Deferrals

This programme does not normally allow deferrals unless there are exceptional circumstances. Please contact fls-pgenquiries@bristol.ac.uk if you would like to discuss the possibility of deferring your start date.
