Application deadline

Application deadlines can be found on the individual programme page within the [University course finder](#)

Admissions criteria

Academic requirements	Applicants must hold/achieve a minimum of; an upper second-class (or, exceptionally, a lower second-class) honours degree in a relevant subject (science or medicine).
	For information on international equivalent qualifications, please refer to our International Office website .
English language requirements	Profile E
	All applicants are required to have reached the required profile level of English language as specified by the University's English Language Requirements Policy prior to registration on to this programme.
Internet connection	Applicants must have internet access for the duration of the course.
Non-standard applications	We welcome applications from those with non-standard qualifications who can demonstrate knowledge, experience and skills developed in the workplace, or elsewhere, relevant to the programme of study. Please use your personal statement to provide further details. Non-standard applications will be considered by the Admissions Tutor(s) for the programme on a case by case basis.

Application process

Online application form

Applicants should complete the online application form, uploading all required documents directly. Further information is available on our [guidance for online applications page](#)

Applications will not be considered until **all** required documents have been uploaded. If you have already submitted an application, you can upload additional documents into the 'Post-submission uploads' section of the application form. Paper documents received by post, or electronic documents received by email, are only considered in exceptional circumstances.

Required and optional documents

✓	Two academic references (minimum):	References should be submitted electronically by the referee, using the online reference form. Alternatively, scanned copies of the original reference document(s) can be uploaded by the applicant. If you graduated more than two years ago, or if professional experience is relevant to the application, professional references will be accepted in lieu of one academic reference. At least one referee should be familiar with the applicant's academic work. References supplied with a personal contact email address will be accepted in exceptional circumstances, which must be explained within the reference. All references must be written, signed and dated on official letter headed paper from the referee's organisation. They must include the referee's full contact details, i.e. postal address, telephone number and organisation email address and must be dated within the last two years. A reference template is available to show the required format.
✓	Degree certificate(s)	From first and subsequent degrees. We require colour scans of original documents and certified translations of documents issued in any language other than English.
✓	Academic transcripts	From first and subsequent degrees. We require colour scans of original documents and certified translations of documents issued in any language other than English. Transcripts must list all subjects taken and grades achieved to date, with the grade scale clearly displayed in the transcript. Applicants must clearly state their current average grade in the online application form.
✓	Personal statement:	Personal statements should highlight the motivation for applying for the course, and any relevant experience and/or skills.
✓	Programme specific personal statement requirements	Include details of how the programme will benefit your development and future career.
✓	English language certificates/other evidence	All applicants are required to have reached the required profile level of English language as specified by the University's English Language Requirements Policy
✓	Curriculum Vitae (CV)	CVs might include details of other relevant work experience and qualifications to support an application.

Selection process

Assessment of applications

All applicants are considered in line with the University's [Admissions Principles and Procedures Policy](#) and [Equality, Diversity and Inclusion policy](#). Once a complete application has been submitted with all required supporting documents, it is considered by at least two members of staff using the following criteria:

- Academic track record (in combination with professional experience where relevant)
- Personal statement
- References

Interviews

Interviews do not normally form part of the selection process. However, we may interview applicants with relevant professional experience whose degree qualifications do not meet the admissions requirements.

Decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of admission or pay a deposit, this will be stated in the offer letter.

Offers

Offers will typically be made in line with the academic requirements set out above.

Offers made may be conditional or unconditional. An unconditional offer will be made to applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, applicants will receive a conditional offer outlining the requirements that must be met.

If an applicant is not selected to receive an offer for the course to which they have originally applied, we may offer the opportunity to be considered for an alternative programme in a related subject area. In such cases applicants will receive an email notification providing any alternative course options and asking whether they wish to be considered for these. It may be necessary for applicants to submit additional documentation in order for the application to be fully considered for an alternative programme. Details of the documentation required can be found in the admissions statement for the relevant programme.

Deferrals

Deferred entry is available for this programme, subject to agreement by the relevant Admissions Team. Please contact stemcells-msc@bristol.ac.uk to make a formal request. Applicants can only defer their place for one year.

Additional information

Extenuating circumstances

If your education has been significantly disrupted through health or personal problems, disability or specific difficulties within your studies, you can submit an [extenuating circumstances](#) form as part of your application.

The information provided will be treated confidentially and will help us to assess your academic performance fairly considering your circumstances.

Academic Technology Approval Scheme (ATAS)

An ATAS certificate is not required for this programme.

Visa

This is a distance-learning programme, and, as such, Tier 4 student visas are not available for international students wishing to study on this programme. Please contact [Student Visa Services](#) for advice.

Fees and Deposits

Fees

Annual tuition fee for 2020/21 if available on the relevant [prospectus entry](#) for this programme.

Deposits

International self-funded students accepting a place on a taught postgraduate programme are required to pay a deposit of £1500. Further information is available on [how to pay programme deposits](#). Further information will also be provided in the offer letter to successful applicants. The deposit is non-transferable and non-refundable except under the circumstances outlined in the [International Deposits Refund Policy](#).

Sponsored Students

Sponsored students are not required to pay the deposit but will need to upload a copy of their sponsorship letter using the 'Post Submission Uploads' section of the online application.
