

GENERAL MEETING REPORT

Monday 14th May 2007

Psychology Common Room, Woodland Road

i. As affiliates of Barking CLP we are allowed a vote on their parliamentary selection. We voted to re-select Margaret Hodge MP.

ii. Nick Hope, a member of the club last year, now working for Ed Balls MP, requested that the club endorse Gordon Brown's leadership campaign. A discussion and vote was held on this, and it was agreed that UBL C will endorse the campaign. (see www.gordonbrownforbritain.com) This does not, of course, affect people's individual votes in the forthcoming election.

I've set up a thread on our Facebook group to discuss the elections: <http://bristol.facebook.com/group.php?gid=2252932414&ref=mf> please post away! :)

iii. The 'Champagne Socialists' event, which will be on the 17th June in Brandon Hill Park, was allocated a budget of up to £20 to buy some food and drink. Bethan and Mat will be organising this and more details will be e-mailed out nearer the time.

iv. A Committee meeting will be held some time before this event, I'll send out e-mails to committee members to sort out an exact place and time.

For those on the Website working group, I'll also e-mail you about maybe meeting up post-exams.

v. It was decided not to have a social this week as people are revising for exams. However, there is a Cotham branch meeting taking place at Redland Library at 19:30 this Thursday, which myself and David at least should be going to.
