*Report on Bristol City Council Elections*

*4<sup>th</sup> May 2007*

Thank you so much to everyone who helped with campaigning for the Bristol Council elections. Your efforts are greatly appreciated and did a lot to get the vote out. In St George East and Brislington East (under threat from the Tories) I don't think it's any exaggeration to say our help was instrumental in holding onto the seats.

The results in Bristol have been very good for us overall, with an over 7% swing to Labour from the Lib Dems compared with 2003. This has seen Labour gaining for the first time in years, winning 2 seats from the Lib Dems as the Tories remain stationary.
