

Tuition Fee Refund Policy

1. Introduction

1.1 The following Policy sets out the arrangements and calculations relating to tuition fee refunds in the event of a student formally withdrawing from their studies.

1.2 All information provided to students on the University website and any other literature available to students must reflect this Policy. See Appendix 1 for a list of key staff for dissemination of this Policy, and any future updates.

1.3 Term dates are as follows:

- Term 1 runs up to the winter vacation
- Term 2 runs from the winter vacation to the Spring vacation
- Term 3 runs from the Spring vacation to the summer vacation.

2. Refunds – general provisions

2.1 Students may be entitled to a refund after paying some or all their tuition fees, if they withdraw from study at the University before completion of their programme. Refund calculations are based on a student's last date of attendance or engagement. Refunds can only be processed after the withdrawal is complete.

2.2 Where students are required to withdraw for academic reasons and have not completed the year, the last date of attendance will be the date on which the Exam Board decision is formally communicated to the student. Where students are required to withdraw for other reasons e.g. disciplinary action, the last date of attendance will be the date on which the decision is formally communicated to the student e.g. at or following the formal meeting or hearing considering the matter.

2.3 If a student has any University debt, it will be subtracted from any refund of fees payable.

2.4 All refunds will be calculated and issued in £ Sterling. The University will not refund any shortfalls due to exchange rate fluctuations, or offer compensation for any bank or other charges incurred.

Tuition Fee Refund Policy

2.5 Refunds will only be made to the person who originally paid the tuition fees. If a parent or guardian, or a third party has paid on behalf of a student but wishes the refund to be paid direct to the student, the University is unable to comply with such requests. This is an important provision to ensure adherence with the University's Anti-Money Laundering Policy.

Please note our term* dates are as follows:

- **Term 1 runs up to the winter vacation**
- **Term 2 runs from the winter vacation to the Spring vacation**
