

ARRANGEMENTS FOR STUDENTS WHO WILL BE UNDER THE AGE OF 18

ON 21 SEPTEMBER 2019

The University of Bristol has put in place a range of measures to ensure that our staff are aware of and comply with all the relevant legislation relating to students who are under the age of 18. For example, we will ensure that students under the age of 18 are allocated an experienced personal tutor within the relevant academic department and that appropriate arrangements are in place in respect of any field trips or other potentially hazardous activities associated with the course.

We are also asking parents/guardians to confirm that they recognise that they have particular responsibilities for their children while they are under the age of 18. You can also be assured that, the University intends to comply with all legal requirements. As your son/daughter will be under 18 on 21 September 2019, you are kindly requested to complete and sign this form and return it to celfs-ifp@bristol.ac.uk

We require your signature as parent/guardian, and the details of an Emergency Contact who is resident in the UK. We require the signature of the parent/guardian even if they are not the listed Emergency Contact. For any queries, or to submit the completed form, please contact celfs-ifp@bristol.ac.uk

Emergency contact details

Please provide emergency contact details for a parent, guardian or carer who is resident in the UK. If you do not have a contact in the UK then you will need to register with a UK Guardianship service. Failure to provide the name and address of a UK resident who the University can contact in case of emergency will mean that we cannot register you as a student for study.
