

Charity/Not for Profit Sector

Emma Manion

Manager, Bristol Hub

Emma manages the local branch of the national charity Student Hubs, that works with students, universities and local community partners to bring about social change and empower students to become active citizens. Her role is a mix front-line delivery, team management and strategy development (including fundraising). Previous to this I studied Human Geography at Bristol University.

Josephine Harwood

Bristol Hub Bristol Hub Programmes Manager at Student Hubs

Sheena Wynne

Business Portfolio Manager at Development Initiatives

Sheena has worked across Development Initiatives since May 2016, managing several different projects to ensure that they are implemented in the most effective and efficient way. Her work ranges from project initiation through to completion – monitoring both financial and human resources, reporting on progress against deliverables both internally and externally.
