

PR/Communications/Marketing

Gabe Winn

Founder, The Blakeney Group

Blakeney was formed by a group of communications strategists and political specialists, and includes team members who held senior positions on both the Leave and Remain campaigns in the 2016 EU Referendum. We work with a broad network of consultants with experience from the most senior levels of government, the media, and corporate communications.

Elaine Birch

Senior Manager, PR

Elaine has worked for 14 years in business PR and marketing, running press offices and developing content and communications strategies for several small and large businesses. Clients have included google, the intellectual property office, law firms, engineering companies and manufacturers. She is currently a senior manager at a small firm in Sussex.

Adam Kirby

Director, Global Advertising Investment Consultancy

Adam runs a global advertising investment consultancy, servicing huge international blue chips like Coke, L'Oréal, Nestlé, BP, Uber to help them make better financial decisions when

investing in creating content -TV spots, posters, websites, social media content etc. The firm has 100 consultants in 35+ markets around the world.
