## **Bristol Centre for Agricultural Innovation: Conditions of Funding**

BCAI funding is conditional on your acceptance of and compliance with the following terms and conditions:

### **The Award:**

- If any external organisation (“Collaborator”) is involved in the award, the University and each Collaborator shall enter into appropriate contractual arrangements setting out the scope of their involvement, user rights in respect of relevant intellectual property, publication rights and so forth. Although it is unlikely that you will be expected to be a party to the contract with Collaborator(s), you must engage fully with the putting into place of, and compliance with, these contractual arrangements.
- Details of the award will be listed on the BCAI website.
- In conducting the award activities, you and your investigative team must comply with the rules and regulations of the University and with all ethical and regulatory requirements and other relevant laws.
- Award holders may be expected to contribute to future BCAI activities, dates for which will be advised.

### **Financial:**

- This award is cash limited. No-cost extensions to the end date may be at the discretion of BCAI.
- This award is given to fund the expenditure detailed in your application only.

### **Reporting:**

- You will report to BCAI the creation of any material IP and any commercialisation activities in relation to any IP (including providing a copy of any relevant commercialisation agreements entered into with third parties), at any point in the future.
- You will inform BCAI of any income or equity from the commercialisation of IP, at any point in the future.
- BCAI expects to track the development and impact of the project through annual reviews which will be emailed directly to the PI and may take place beyond the life of the funding.

### **Acknowledgement:**

- You must acknowledge the support received by BCAI in all publications, presentations and other media communications arising from the Award. BCAI logos are available for download on the BCAI webpage.
