

Suggestions on exploring Bristol

- **Visit the iconic Clifton Suspension Bridge:** A marvel of Victorian engineering, designed by Isambard Kingdom Brunel in 1831, offering stunning views over the Avon Gorge.
- **Explore the SS Great Britain:** Designed by Brunel in 1843, this pioneering ship introduced the innovative combination of an iron hull and a screw propeller system. Fully restored, it's now showcased in Bristol's harbour.
- **Discover Banksy's street art:** Admire the thought-provoking, world-renowned pieces by the enigmatic artist.
- **Stroll along the Harbourside:** Enjoy the stunning waterfront views and lively atmosphere.
- **Explore Bedminster's vibrant street art scene:** Home to striking murals and works by renowned artists, reflecting the area's creative energy and urban culture.
- **Climb Cabot Tower:** Enjoy panoramic views of the city from this 105-foot tower located in Brandon Hill Park.
- **Experience Bristol Cathedral:** Marvel at the grandeur of its Gothic architecture, intricate stonework, and stunning stained glass windows.
- **Wander through St Nicholas Market:** Browse unique independent stalls offering everything from local produce to handmade crafts in one of Bristol's most historic markets.
- **Take a ferry ride:** Explore the city from the water, enjoying scenic views of the skyline and surrounding countryside.
- **Indulge in Bristol's craft beer scene:** Renowned for its thriving breweries that have earned both local and national acclaim. Here are some favourites:
 - Bristol Beer Factory
 - Left Handed Giant
 - Wild Beer Co.
 - Wiper and True
 - Good Chemistry Brewing
 - New Bristol Brewery
