

# STUDENT REVIEWS

“

Utterly rich and colourful culture, amazing and cheap food, amazing opportunity to learn the world's most spoken language, bountiful religious sites, a beautiful island

**Anastasia O'Reilly**  
Religion and Theology with Study Abroad (MArts)

”

Very nice people at the uni, great activity organisation by the uni in terms of taking us on trips- it left me with little to organise on my own, a nice community experience, a chance to make friends from many different countries (France, Austria, USA, Spain, Germany and Taiwan)

**Will Mellenfield**  
Aerospace Engineering (MEng)

“

The uni staff are amazing, the campus is beautiful, the teaching was great, food is cheap and tasty.

**Callum Timmis**  
Electrical and Electronic Engineering (BEng)
