Application Guidance for NERC GW4+ Doctoral Landscape Training Partnership (DLTP) – 2027 Entry

Note that you can only **apply for one project across all partner institutions.**

Starting your application
Select the 'Apply Now' button on the prospectus and find the programme for the School in which the project is advertised:

School	Programme
Department of Anthropology and Archaeology	Anthropology and Archaeology PhD
School of Biological Sciences	Biological Sciences PhD
School of Chemistry	Chemistry PhD
School of Computer Science	Computer Science PhD
School of Earth Sciences	Geology PhD
School of Geographical Sciences	Geography PhD

Select 'Apply' next to the start date of **September 2027**.

You can save your application and return to it later at any point.

Personal Details
Fill in your personal details as requested.

Contact Details
Fill in your contact details as requested.

Other Information
You do not need to upload any documents here.

You can select how you would like to study this programme – usually full time except by special arrangement.

Qualifications
Fill in all your qualifications and upload your certificates and or transcripts as required. Upload evidence of your English language if relevant.

Experience
Upload your CV and provide details of work and other relevant experience.

Personal Statement
You must provide a personal statement using the template on the prospectus. Personal statements that are not in the correct format will not be considered.

Research Statement
Each project has an advert in pdf format on each School's webpages:

- Anthropology and Archaeology
- Biological Sciences
- Chemistry
- Computer Science
- Earth Sciences
- Geographical Sciences

Enter the project supervisor and title, both of which can be found in the advert. Upload the advert as your research statement – you do not need to write your own.

Passport and Visa
Answer the questions on this page.

Referees
Two references are required. You can upload reference documents if you have them, or you can fill in your referee details and the University will contact them directly for their reference.

Funding
Ensure the following information is entered correctly:

- What is your likely source of funding: **Studentship**
- Please give the name of your scholarship or Studentship: **NERC GW4+ DLTP**
- Percentage from this source: **100%**
- Is this funding already secured?: **No**

This programme has no other funding opportunities so leave the final question unchecked.

Submission
Answer the marketing question.
Raed the Data Protection Statement and the Declaration and confirm you have read and understood them.

Checklist
There is a checklist within the application form. If any of the pages do not have a green tick against them, you will not be able to submit your application until you have answered all the required questions and uploaded the requested documents.

Contact

For general queries please contact the Bristol NERC GW4+ DTP Administrator at bristol-nercgw4plusdtp-admin@bristol.ac.uk.
