* At Standard Level the Analysis and Approaches course is required. At Higher Level either the Analysis and Approaches or Applications and Interpretations course is required.

† We want to attract the very best students and know that our contextual offer entrants thrive here, achieving above average academically. Our contextual offer is a grade reduction of up to two grades below the standard entry requirements, made to applicants from under-represented groups. Contextual offers are shown in brackets next to each entry requirement in the course listings. Find out more about eligibility at [bristol.ac.uk/contextual-offers](http://bristol.ac.uk/contextual-offers)

This is an indicative guide of our 2022/23 course structures.

For unit information, please visit [bristol.ac.uk](http://bristol.ac.uk) for the latest list of available options.

The University has the right to change subject units as required.
