

## Bristol University – Holdings as at 30<sup>th</sup> September 2021

Please note that the following information is valid as at 30/09/2021.

*The provision of this information does not constitute a recommendation, investment advice, nor financial promotion. Holdings are subject to change without notice and their accuracy and completeness cannot be guaranteed. No part of this document may be reproduced in any manner without Rathbone's prior permission.*

As per the University's Investment policy, the portfolio is fully divested from direct investment in the Oil & Gas sector. The portfolio continues to focus on a measurable reduction in the carbon intensity of the investments over time. Direct investment in the Energy sector, which is used to measure carbon intensity includes Orsted, SSE and National Grid. These stocks represented approximately 3.53% of the portfolio at 30/09/2021.
