Historical Studies Lunchtime Lectures 2012/13

The Historical Studies 'Lunchtime lecture' series gives students the opportunity to hear lectures of general interest, with a particular focus on the process of research, as well as the outcomes. All undergraduates, postgraduates and staff are welcome to attend. Undergraduates should note that they are strongly urged to attend these lectures because individual research is such an important element of our BAs. The lectures include talks by both existing members of staff and eminent scholars from other institutions.

Unless otherwise notified, all the lectures will take place in Arts Faculty Lecture Theatre 3 (LT3), 13.10-13.50.
