Bristol's Global Lounge brings our community together through cultural events, language cafés and free social activities during major celebrations like Lunar New Year and Mid-Autumn Festival. Societies are another great way to meet like-minded friends and share your culture with others. Our 300+ student groups include HKPASS (Hong Kong Public Affairs and Social Service Society), Asian Society, Mahjong Society and many more.

Get more from your city

Just 90 minutes from London, Bristol is a friendly, vibrant city with a distinctive character and rich history. Recognised as one of the UK's most exciting places to live and study in, it's known for its diverse culture, international community and creative atmosphere. You can explore Bristol's celebrated food scene while also finding dim sum houses, Cantonese roast meats, noodle bars and Asian supermarkets stocking the ingredients that remind you of home.

“Bristol is a lively city where you can always find something interesting to do. The university has provided an excellent academic platform for me to explore my passion in research, education and psychology.”
