

Welcome, students from Indonesia

Find out how Bristol gives you more during your studies, in your city life and in your career.

Get more for your future

Founded in 1876, the University of Bristol offers nearly 600 undergraduate and postgraduate degrees across a wide range of subjects.

Our teaching is grounded in world-leading research and informed by real-life insight. Your career is built into your degree, giving you extensive careers support, skills development programmes and industry-relevant experience.

A degree from Bristol carries global recognition, giving it long term value wherever your future takes you. Our international alumni network includes more than 300 graduates in Indonesia. Bristol graduates are employed at organisations including KPMG, the Ministry of Education, Bank of Indonesia, World Health Organisation, the NHS, Deloitte, Huawei, PwC, Unilever and IFC World Bank.

Get more from your community

The university is home to more than 30,000 students, with over 30% from outside the UK. We have more than 70 students from Indonesia currently studying here, and we would love for you to join us.

Bristol's Global Lounge brings our community together through cultural events, language cafés and free social activities. Societies are another great way to meet like-minded friends and share your culture with others. Our 300+ student groups include the Indonesian Society, Asian Society and many more.

Get more from your city

Just 90 minutes from London, Bristol is a friendly, vibrant city with a distinctive character and rich history. Recognised as one of the UK's most exciting places to live and study in, it's known for its diverse culture, international community and creative atmosphere. You can explore Bristol's celebrated food scene while also finding a range of shops and restaurants where Southeast Asian food is available.

“

Bristol's support services and extensive network provided invaluable resources and opportunities for academic and professional development. From workshops to networking events, Bristol equipped me with the skills, knowledge and connections necessary to excel in my field. ”
