Welcome, students from South Korea

Founded in 1876, the University of Bristol has an international reputation for high-quality education and research.

Wide-ranging expertise
Bristol is home to 6 faculties, made up of 29 academic schools and departments. We offer more than 600 undergraduate and postgraduate courses across a comprehensive range of subjects.

An international community
Bristol is home to nearly 30,000 undergraduates and postgraduates, with around one in four of our students coming from outside the UK.

More than 90 students from South Korea currently study here, and we would love for you to join us.

A diverse city
Bristol is a friendly, safe city with a rich history and distinctive culture. The city is truly multicultural, home to people from 187 countries, speaking 91 languages. There is a range of shops and restaurants where South Korean and other East Asian food is available.

A world of opportunities
You can celebrate cultural events, share experiences and connect with students from around the world at the Global Lounge.

Societies are another great way to meet like-minded friends and share your culture with others. Our student clubs include the Korean Society and over 400 more for different interests and hobbies.

Inspirational alumni
Our international alumni network includes nearly 400 students from or living in South Korea, who are employed at organisations including the Seoul Institute, Kangwon Land, the Ministry of Health, Seoul Metropolitan Government, and Korea Foundation for the Advancement of Science and Creativity.

‘I’ve enjoyed the various study spaces, the location of the campus in the heart of the city, and the quality of teaching and research. It is a very friendly and focused environment with great student support. You will be surrounded by inspiring individuals with whom you can learn, collaborate and share ideas.’

### English language requirements
If your first language is not English, we will require proof of your English language ability. We accept a wide range of qualifications and tests. Different courses need different English language levels; specific requirements are listed on individual course pages online.

### Scholarships
We support international students from around the world with programmes such as our Think Big scholarship scheme. We are investing £2 million in University of Bristol scholarships for overseas students in 2022.

Other funding opportunities for students from South Korea include Chevening Scholarships. For the latest information and to apply, visit [bristol.ac.uk/international-scholarships](bristol.ac.uk/international-scholarships)

Agents can help you to apply, but using one does not put you at an advantage or disadvantage when we consider your application.

### Education agents
Bristol has agreements with various education representatives, or agents, in South Korea including EDM Education, IDP Korea, UK Edu Centre and UK Education Network.
