University of BRISTOL

Welcome, students from South Korea

Find out how Bristol gives you more during your studies, in your city life and in your career.

Get more for your future

Founded in 1876, the University of Bristol offers nearly 600 undergraduate and postgraduate degrees across a wide range of subjects.

Our teaching is grounded in world-leading research and informed by real-life insight. Your career is built into your degree, giving you extensive careers support, skills development programmes and industry-relevant experience.

A degree from Bristol carries global recognition, giving it long term value wherever your future takes you. Our international alumni network includes more than 600 graduates in South Korea. Bristol graduates are employed at organisations including the Seoul Institute, the Ministry of Foreign Affairs, the Ministry Of Science & Technology, Sensata Technologies, Microsoft, Robocare, Seoul Energy Dream Center and The Asan Nanum Foundation.

Get more from your community

The university is home to more than 30,000 students, with over 30% from outside the UK. We have almost 200 students from South Korea currently studying here, and we would love for you to join us.

Bristol's Global Lounge brings our community together through cultural events, language cafés and free social activities. Societies are another great way to meet like-minded friends and share your culture with others. Our 300+ student groups include the Korean Society, Asian Society, Taekwondo, Elevate Studio - Kpop Dance Society and many more.

Get more from your city

Just 90 minutes from London, Bristol is a friendly, vibrant city with a distinctive character and rich history. Recognised as one of the UK's most exciting places to live and study in, it's known for its diverse culture, international community and creative atmosphere. You can explore Bristol's celebrated food scene while also finding a range of shops and restaurants where South Korean and other East Asian food is available.

"I chose the University of Bristol as it has achieved the top world-leading rating in the Research Excellence Framework. The high-quality education provided by the university greatly supported me. I am grateful for all the opportunities and experiences that I had at Bristol!"
