Welcome, students from Taiwan

An international community
The University of Bristol is friendly, exciting and diverse, with one in four of our students coming from outside the UK. More than 70 students from Taiwan study here, and we would love for you to join us.

A world of opportunities
You can celebrate cultural events, share experiences and connect with students from around the world at the Global Lounge. Societies are another great way to meet like-minded friends and share your culture with others. Our student clubs include the Taiwanese Society and over 400 more for different interests.

A diverse city
Bristol is a friendly, safe city with a rich history and distinctive culture. The city is truly multicultural, home to people from 187 nationalities, speaking 91 languages. There is a range of shops and restaurants where Taiwanese and other East Asian food is available.

Inspirational alumni
Our international alumni network includes nearly 900 students from or living in Taiwan, who are employed at organisations including Apple Asia LLC and United Daily News Group.

‘Bristol is a beautiful and multicultural city, and it’s full of traditional and contemporary art. The countryside around the city is lovely during spring and summer – making for a great cycling trip.’
