Bristol's Global Lounge brings our community together through cultural events, language cafés and free social activities. Societies are another great way to meet like-minded friends and share your culture with others. Our 300+ student groups include the Thai Society, Asian Society, Muay Thai Society and many more.

Get more from your city

Just 90 minutes from London, Bristol is a friendly, vibrant city with a distinctive character and rich history. Recognised as one of the UK's most exciting places to live and study in, it's known for its diverse culture, international community and creative atmosphere. You can explore Bristol's celebrated food scene while also finding a range of shops and restaurants where Thai and other Southeast Asian food is available.

“

I chose Bristol because of the feel of the city. The city centre and parks are so close to each other, so you get the best of both worlds. Through the Thai Society, I have got to know many new people, helping me settle in.”
