An international community
The University of Bristol is friendly, exciting and diverse, with one in four of our students coming from outside the UK. Around 25 students from Vietnam study here, and we would love for you to join us.

A world of opportunities
You can celebrate cultural events, share experiences and connect with students from around the world at the Global Lounge. Societies are another great way to meet like-minded friends and share your culture with others. Our student clubs include the Vietnamese Society and over 400 more for different interests.

A diverse city
Bristol is a friendly, safe city with a rich history and distinctive culture. The city is truly multicultural, home to people from 187 countries, speaking 91 languages. A range of shops and restaurants serve Vietnamese and other Southeast Asian food.

Inspirational alumni
Our international alumni network includes more than 120 students from or living in Vietnam, who are employed at organisations including PwC, AEG Vietnam and International House Vietnam.

‘I chose Bristol because of its vibrant student life and the support services for international students. I greatly enjoy studying with the teaching staff, who are experts in their fields. What makes the city so special is the street art – I also love the green spaces.’
