

Checklist for Registration of Students on MSc in Perfusion Science at University of Bristol

1. An upper second-class (2i) honours degree (or, exceptionally, lower second-class honours degree, 2ii) in a science or medicine-related subject. If you are unsure whether you have the required academic qualifications please email f.e.holmes@bristol.ac.uk or perfusion-msc@bristol.ac.uk
2. You must have secured a clinical perfusion scientist trainee position at an accredited training centre in Great Britain or Ireland.

You must upload the official offer letter when applying for the MSc online.

3. At the trainee position interview you should have your degree certificate certified by Chief Perfusionist as outlined on GOV.UK webpage: <https://www.gov.uk/certifying-a-document>.

The certified degree certificate must be uploaded when applying for the MSc online.

4. Apply to College of Clinical Perfusion Scientists of Great Britain and Ireland for registration number and upload confirmation of registration number. If registration number is not available prior to submission of application, please confirm (by email to perfusion-msc@bristol.ac.uk) that this has been requested from College.
5. The fees sponsorship form (accessible from the link below) must be completed and uploaded with the application. Please ensure your sponsor indicates on the form that they will sponsor you for the 2 year duration of the programme.
<https://www.bristol.ac.uk/media-library/sites/fees-funding/documents/sponsorship-form.pdf>
6. The UoB online application system is available from:
<http://www.bristol.ac.uk/study/postgraduate/2021/health-sciences/msc-perfusion-science/>
7. Click on the purple 'How to apply button' and follow the instructions to start a new application.
