Housekeeping

➢ If alarm sounds for more than 10 seconds, follow the fire exits to leave the building

➢ The main fire exit is the main entrance. There's also an alternative fire exit route around the back of the stairs

➢ Assembly point: Opposite the Geography building, the other side of University Road in front of the railings

➢ Toilets are immediately outside this room on the right-hand side, including a disabled toilet

➢ We will be taking photos to share online including our website, social media, blog and/or newsletter. If you would prefer not to be seen in photos, please let one of the BPI team know (BPI Team slide to come)

Introducing the Bristol Poverty Institute

➢ The BPI was established in 2017

➢ Designed to address SDG1: *End poverty in all its forms everywhere*

➢ Growing, developing and supporting the poverty and poverty-relevant research community at the University of Bristol and beyond

➢ Facilitating interdisciplinary approaches and exploring the interface of different social, political and environmental dimensions

➢ Translating research into evidence-informed policy and practice

➢ More information on the BPI website.
