Bristol BS8 1TH Tel: 0117 3316824 phc-teaching@bristol.ac.uk

Workshop dates for 2018

North Somerset Academy GP Teacher Workshop 13th March Weston General Hospital, 9.00-13.00

This workshop will cover future developments of undergraduate medical teaching at Bristol, teaching clinical reasoning, teaching Ethics, feedback and more. It is suitable for established and new GP teachers and GPs who have not taught medical students and are keen to find out how they and their practice can get involved.

To book, please email phc-teaching@bristol.ac.uk

Gloucester Academy GP Teacher Workshop 20th March Sandford Education Centre, Cheltenham, 9.00-13.00

We will update you on MB16 and MB21, take a new look at 'Observation' as a teaching tool and cover teaching clinical reasoning, giving feedback and more. The workshop is suitable for established and new GP Teachers.

To book, please email phc-teaching@bristol.ac.uk

Reserve this date in your diary
Summer Education Day 5th June 2018
Engineers' House, Clifton, Bristol

Update on MB16, MB21 and Bristol Medical School, a new look at consultations through the lens of conversation analysis, introduction to CogConnect (the new Bristol consultation skills model), teaching clinical reasoning, observation as an active learning tool and more.

App of the month

FourteenFish Learning Diary App from **Harry Minas**, a Bristol GP appraiser and GP

Looking for a **free and easy way to record your CPD and reflections?**

Why not give the FourteenFish app a try?

Very simple to add items under *CPD*, *Quality Improvement Activities*, *PDP updates*, *Significant Events*, *Colleague Feedback*, *Patient Feedback* and *Additional entries*. You can assign your CPD to your different professional roles—GP, GP trainer, etc. Completely free even if you do not use the FourteenFish appraisal toolkit. You commission-
