More Year 4 and Year 5 placements needed —can you help?

We need more placements for year 4 and 5 students in most academies, especially North and South Bristol and North Somerset/Weston. Please email us for the dates.

If you have not taught medical students before but would like to start please speak to your GP academy lead or email us and we will put you in touch with the right person for more information phc-teaching@bristol.ac.uk

Year 4 GP Teacher Workshop

Tues 28th Feb 2012, Engineers House, Clifton, Bristol

Highlights this year are:

- * **Prof Gene Feder** on how to teach students about Domestic Violence
- * **Nigel Rawlinson**, the new Director of Student Affairs on the new mentor scheme and clinical skills log book
- * **Shalini Narayan**, consultant dermatologist, on lumps & bumps
- * **Sue Wensley**, Consultant in Care of the Elderly, on how to teach assessing lower limbs/'get up and go'
- * Plus the usual year 4 updates and tips

You don't want to miss it!

- * To book your place email

phc-teaching@bristol.ac.uk

Workshop questionnaire

Please take a look if you have not had a chance to answer it. It will be open till 31.12.11
