

Faculty of Engineering: Early Career Researchers' Event

Tuesday 26th June 2018

Room 1.68, Queens Building

Objective: This event is aimed at providing an overview of the various Fellowship opportunities available to early career scientists working in the Faculty of Engineering. As well as presentations from members of the Research Development team, the session will provide the opportunity for potential applicants to pick up hints and tips on the application process from current award holders.

13:45 – 14:00	<i>Refreshments</i>
14:00 – 14:10	Welcome <i>Professor Weiru Liu, Faculty of Engineering Research Director</i>
14:10 – 14:20	Introduction to RED support for Early Career Researchers <i>Kerrie Carlin / Reiko Vermeulen</i> <i>Research Development Associate (Engineering & Science)</i>
14:20 – 14:35	EU and International funding schemes overview <i>Tom Bowker, Research Development Manager (EU & Overseas Programmes)</i>
14:35 – 14:50	Experience of a Leverhulme Early Career Research Fellow <i>Anne Roudaut, Department of Computer Science</i>
14:50 – 15:05	Experience of a RAEng Research Fellow <i>Oliver Payton, Department of Engineering Mathematics</i>
15:05 – 15:20	Experience of an ERC Starting Grant holder <i>Shane Windsor, Department of Aerospace Engineering</i>
15:20 – 15:40	Fellowships and career progression <i>Professor Mike Fraser, Department of Computer Science</i>
15:40 – 15:55	Closing remarks and final Q&A <i>Professor Weiru Liu, Faculty of Engineering Research Director</i>
15:55 – 16:30	Networking (Refreshments provided)
